

5<sup>th</sup> April 2018.

For the attention of the Chairman  
of the Parish Council Mr Robert Butrell.

---

Bus shelters in the village I have found to be in good condition, clean and tidy.

Unfortunately the same cannot be said regarding the dog waste bins. Apparently the situation has occurred due to illness of the Contractor responsible for emptying same. This should shortly be resolved as a new Contractor was to be interviewed yesterday.

My other responsibility is the recreation area, where I found the swings and other equipment to be in good order. This is with the exception of the ride in the small enclosed area which will be repaired by myself.

Also on the rec. we had to replace several of the wooden bollards. This work was carried out by a local man and dealt with by

Mrs A. Drullerec, Parish Clerk.

Last weekend I was called out to several village residents worried about flooding. After inspection I assured them that there was no need for concern, and the ditches were coping quite adequately at the time.

I notified Councillor Tom Ford about the situation. The following day Tom came down and assessed the situation for himself, and will make his own report to the Council.

Hoping this meets with your approval,

Yours sincerely,

A handwritten signature in black ink, appearing to be 'P. S.', written in a cursive style.

P. S. I will need to confirm with the Chairman the placement of the bench seat in memory of Babata Amotes.
