

## PUBLIC TRANSPORT REPORT 2017 / 2018

### TRAINS

I continue to put new train timetables in the shops and in the Memorial Hall. The two train companies with trains that stop at King's Sutton, Chiltern Railways and Great Western Railway, have both reasonably good records for reliability and punctuality.

### BUSES

The 499 service contract ends in July 2018. We need to urge County (or the new authority) to provide us with something similar after that.

### BUS PASSES

Any King's Sutton resident born before 5<sup>th</sup> October 1953 is entitled to a bus pass. As we have lost our library van service these cannot now be obtained in the village. They can be obtained or renewed at a Northamptonshire library or online at the Northamptonshire County Council website.
