

WARDEN OF THE WAR MEMORIAL ANNUAL REPORT

APRIL 2015

As instructed, the Memorial has now been cleaned. The work was completed by Inspire Conservation Ltd in time for the August 2014 Centenary Commemoration of the Great War. The work was completed satisfactorily and the Memorial may not need further attention for some time.

I successfully applied for a Grant from the War Memorials Trust who eventually agreed an amount of £193 with the balance coming from Parish Council funds.

As a condition of the Grant by the War Memorials Trust, I applied "Smartwater" (Forensic Coding System) to the lead lettering on the monument for security purposes.

I am pleased to report that everything is in good order.

Andrew Waite

Warden
